And it is my prayer that your love may abound more and more,
with knowledge and all discernment, so that you may approve what is excellent,
and so be pure and blameless for the day of Christ.
Philippians 1:9-10

Principal's Comment

Some people think that as the year draws to an end, there is a wind down but that is actually not the case. This past week we have had Outdoor Classroom Day, NAIDOC activities, Exceptional Me and Strength has kicked off. We are very blessed. For a SMALL school, we do BIG things! Thank you to an amazing staff who pull this off to benefit our students. Behind the scenes teachers are also preparing lessons, marking assessments and writing Semester reports. Who said it was wind down time?

Strength

Year 5 and 6 boys have commenced a program called 'Strength' facilitated by Mr Ardill. The 5-week program tackles the concepts of friendship, teamwork, resilience, manhood and respect. It is designed to facilitate the beginning of a lifelong journey in discovering their significance, strength and purpose.

Exceptional Me

The Year 5 & 6 program concludes this coming week with a special lunch. We would like to thank Mrs Ardill for facilitating this program. The young ladies have learnt a lot about their God-given value and worth.

Remember to put sunscreen on your child before coming to school.

Presentation Night

The 2020 Presentation Night will go ahead this year in a COVID-safe manner.

Thursday December 10 6:30pm

It will be held in the Liberty Auditorium which is permitted to hold 70 people along with the team involved in running the event.

The event will be limited to students in Years 4-6 and up to 4 family members per family. This provides the opportunity particularly for our graduating students to celebrate with family members and their current classmates.

There will be allocated seating and an RSVP will be required. A booking form will be available to families shortly. Additional seating may be available once RSVP's are returned.

The evening will include the official presentations of graduation, 2021 school leaders and special awards. All other class presentations will be conducted during class time in the final week of school as we have done so this year.

UNE Discovery

A team from UNE in Armidale will be on-site on Thursday November 19 to run 2 hands-on science-based learning activities for students. The topics this year are Plants, Poop and Pollinators and Astrometrics. This is the third year we have had the UNE team visit us and each year presents new learning opportunities.

Team Colour Day

Wednesday November 25 will be Team Colour Day and students are to wear as much of their team colour as possible. There will 4 team activities throughout the day where points are earned toward the final point scores tally. The winning team will be announced at the Presentation Night.

Transition Program

The children attending the Transition to School Program have begun full days from 9am till 3pm. There will likely be some tired little people after the first big day which ended well with K-2 working alongside Transition students in a range of activity rotations.

Last Day of School

Liberty students finish the 2020 school year on Friday December 11. This will be a celebration day for students with plans to be announced shortly. Students may wear mufti clothes for this event.

Compass Passwords

Login details have now been provided to all parents/carers to access the Parent Portal. Please ask if you need help navigating this new system. It is important to select the cog icon to change your password from the temporary one initially provided.

Chicken Burger Day

Orders have now closed for Chicken Burger Day next Tuesday November 17. Please provide lunch if an order was not placed.

Don't let anyone look down on you
because you are young.
Set an example for the believers
in what you say and in how you live.
1 Timothy 4:12
