and so be pure and blameless for the day of Christ.*

Principal's Comment

The end of the term is creeping closer and students are beginning to show signs of *endofterm-itus* - that time of the term when they are tired, irritable, slow-moving in the mornings and lack patience. The good news is that there are only 5 more school days! Enjoy the holiday break and stay safe.

COVID-19

Please remember that students experiencing COVID-like symptoms are required to remain home and have a COVID test. Before returning to school, a negative result must be provided and students must be symptom-free.

Current symptoms listed by NSW Health include:

- fever (37.5 ° or higher)
- cough
- sore throat
- runny nose
- loss of taste
- loss of smell
- shortness of breath (difficulty breathing)
