The new buildings are scheduled to arrive onsite during the first week of December. The site will be prepared in the coming weeks ready for yet another set of piers to hold the 11 modules. It is very exciting to see the changes as they happen.

Home Reading Diary

DUE EACH FRIDAY

Students receive a **FREE** book with each 25 days of reading recorded in their diaries.

Farmer Friday

Last term we held 2 Farmer Fridays with money and food goods donated for farming families in our community. Money was also raised for the Buy a Bale Campaign. Liberty's mainly music group also contributed to the fundraising efforts. Over the holidays all the food items were packed into grocery bags. 12 food packs were delivered to farms in the Dungowan area. A big Thankyou to Mrs Sutcliffe, Mrs Haworth and Yr 2 student Abbey for their work in making this happen. We have received letters of appreciation from some of the recipients. Check them out on Facebook.

BRING

Plenty to eat and drink

One of the most exciting days on the school calendar is Outdoor Classroom Day on Thursday November 1. The event will run all day with students rotating through a variety of learning activities held outside.

If you would like to join us, please see Miss Kelly. We would love some extra hands for this event.

Say with your mouth, "Jesus is Lord." Believe in your heart that God raised him from the dead.

Then you will be saved.
