## Principal's Comment

Wow, what a week we have had! Despite the craziness around us, let me say that this week has been a testimony to God's graciousness and the amazing capacity he has given to our staff and families. I'm sure families were not expecting to be teaching split strategy, the area of a triangle or conjunctions and adjectives a fortnight ago.

While these times bring about changes to how we do things in all areas of life, it also provides opportunities for us to consider how to remain socially connected in an increasingly isolated society. Take the opportunity to be deliberate in nurturing relationships. Let us choose not to be frustrated that we can't escape the confines of our homes but instead be thankful that we have the opportunity to interact with our children in meaningful ways.

## School Open

The CURRENT advice is that NSW schools will remain open for the remainder of the school term with learning provided for those on and off site. Government advice is that parents are encouraged to keep their children at home where possible. Liberty is committed to providing care where this is not possible.

CHECK OUT THE  
FACEBOOK GROUP FOR  
UPDATES OF ACTIVITIES

## ZOOM Meetings

For families that have chosen to self-isolate, please check your emails for invitations to join online meetings using ZOOM.

**ZOOM Check-In** - This meeting will be scheduled at 9:30 each school morning and be run by Mrs Philp.

**ZOOM Class Meeting** - These meetings will be hosted by the class teachers and run daily. Times may vary depending on the timetable for teachers working on-site with students. Teachers are transiting to this mode of communication as numbers of students in remote learning is increasing. In the meantime, expect a phone call or email.

**ZOOM Catch-Up** - An opportunity for students at home to see and chat to students at school. We have set up a webcam in the classroom and ran the first of these today. On-site students loved it!

## Sport

This coming Monday is a normal school sport afternoon on-site. All students on-site will join together for sport. Families at home have sport ideas available from teachers in their packs.

## Team Colour Day

Team Colour Day is coming up on the last Monday of term, April 6. Plan ahead for this event by collecting up items to match your child's sport team colour. Students both on-site and off-site will have the opportunity to participate in our activities so stay tuned for more.

## School Events

The Responsible Pets visit scheduled for this past week was cancelled. Many up-coming events on the school calendar have also been cancelled. These include:

- NAPLAN
- Canteen
- Term 1 Assembly
- Pizza Day (in its usual manner)
- VIP Day
- Grip Leadership Conference

Some of these may be re-invented or pop up later in the year but for the foreseeable future they have been cancelled.

## Ice-Blocks

80 cents or 80 eagles

Available at recess each  
Tuesday and Thursday

Blessed is the man who keeps on going  
when times are hard.

After he has come through them,  
he will receive a crown.

The crown is life itself.

James 1:12

## Chaplaincy Services

If you would like to make use of the Chaplaincy Service provided by the

## Federal Government

please contact the office or the  
School Chaplain

## Pastor James Ardill

directly on

0402 323 217

*This FREE service is available for  
the School Community.*

## Student of the Week

As you would appreciate, it is very difficult to select a student of the week under the current circumstances. With students at school working incredibly hard and those at home doing an excellent job (including their parents and carers), teachers are unable to fairly award Student of the Week.

Please return all Library  
books and Home Readers  
next week
